

**Canterbury
Steiner School**
FOR EXTRAORDINARY LEARNING

7th July 2017

CLOSURE NOTICE

We are very sad to have to announce that Canterbury Steiner School is closing in December 2017. Although all attempts have been made to continue the Steiner/Waldorf education we offer, we can no longer financially sustain the school on the present site.

We shall continue to teach the children who remain up until the end of the Michaelmas Term.

The school has provided and continues to provide a nourishing and inspiring education and we would like to extend our thanks to the many parents, teachers, ex-pupils, families and friends who have so wholeheartedly supported the school over the past 41 years. For all those children who have benefitted from being here and have forged lifelong links with our school community, this news will no doubt be met with shock and sadness, which are shared by us all.

We sincerely hope that it becomes possible for Steiner education to continue in some future form in Kent.
